ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$2.02 an hour or \$80.80 a week or \$350.13 a month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3

weeks after 10 years, and 4 after 15 years. Length of service includes the whole span of

continuous service with the present contractor or successor, wherever employed, and with

the predecessor contractors in the performance of similar work at the same  $\operatorname{\mathsf{Federal}}$ 

facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day, Martin Luther King

Jr.'s Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus

Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for

any of the named holidays another day off with pay in accordance with a plan  $\operatorname{\mathsf{communicated}}$ 

to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE PARENTHESES AFTER THEM RECEIVE THE FOLLOWING BENEFITS (as

## numbered):

1) Does not apply to employees employed in a bona fide executive, administrative, or

professional capacity as defined and delineated in 29 CFR 541. (See CFR 4.156)

- 2) APPLICABLE TO AIR TRAFFIC CONTROLLERS ONLY NIGHT DIFFERENTIAL: An employee is
- entitled to pay for all work performed between the hours of 6:00 P.M. and 6:00 A.M. at the
- rate of basic pay plus a night pay differential amounting to 10 percent of the rate of

basic pay.

- 3) WEATHER OBSERVERS NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular
- tour of duty, you will earn a night differential and receive an additional 10% of basic pay
- for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a
- week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of
- basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work
- which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is

considered overtime work).

- HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed
- in a position that represents a high degree of hazard when working with or in close
- proximity to ordinance, explosives, and incendiary materials. This includes work such as
- screening, blending, dying, mixing, and pressing of sensitive ordance, explosives, and
- pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-
- house activities involving propellants or explosives. Demilitarization, modification,
- renovation, demolition, and maintenance operations on sensitive ordnance, explosives and
- incendiary materials. All operations involving regrading and cleaning of artillery ranges.
- A 4 percent differential is applicable to employees employed in a position that represents
- a low degree of hazard when working with, or in close proximity to ordance, (or employees  $% \left\{ 1\right\} =\left\{ 1\right\} =$
- possibly adjacent to) explosives and incendiary materials which involves potential injury
- such as laceration of hands, face, or arms of the employee engaged in the operation,
- irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent
- work area or equipment being used. All operations involving, unloading, storage, and
- hauling of ordance, explosive, and incendiary ordnance material other than small arms
- ammunition. These differentials are only applicable to work that has been specifically
- designated by the agency for ordance, explosives, and incendiary material differential pay.
- \*\* UNIFORM ALLOWANCE \*\*
- If employees are required to wear uniforms in the performance of this contract (either by
- the terms of the Government contract, by the employer, by the state or local law, etc.),

the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such

uniforms is an expense that may not be borne by an employee where such cost reduces the  $\ensuremath{\mathsf{E}}$ 

hourly rate below that required by the wage determination. The Department of Labor will

accept payment in accordance with the following standards as compliance: The contractor or subcontractor is required to furnish all employees with an adequate

number of uniforms without cost or to reimburse employees for the actual cost of the  $\ensuremath{\mathsf{L}}$ 

uniforms. In addition, where uniform cleaning and maintenance is made the responsibility

of the employee, all contractors and subcontractors subject to this wage  $\det \operatorname{employee}$ ,

shall (in the absence of a bona fide collective bargaining agreement providing for a

different amount, or the furnishing of contrary affirmative proof as to the actual cost),

reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or

\$.67 cents per day). However, in those instances where the uniforms furnished are made of

"wash and wear" materials, may be routinely washed and dried with other personal garments,

and do not require any special treatment such as dry cleaning, daily washing, or commercial

laundering in order to meet the cleanliness or appearance standards set by the terms of the

Government contract, by the contractor, by law, or by the nature of the work, there is no

requirement that employees be reimbursed for uniform maintenance costs.

\*\* NOTES APPLYING TO THIS WAGE DETERMINATION \*\*

Source of Occupational Title and Descriptions:

The duties of employees under job titles listed are those described in the "Service

Contract Act Directory of Occupations," Fourth Edition, January 1993, as amended by the

Third Supplement, dated March 1997, unless otherwise indicated. This publication may be

obtained from the Superintendent of Documents, at 202-783-3238, or by writing to the

Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

Copies of specific job descriptions may also be obtained from the appropriate contracting

officer.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE  $\{StandardForm\ 1444\}$ 

(SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not

listed herein and which is to be employed under the contract (i.e., the work to be

performed is not performed by any classification listed in the wage determination), be

classified by the contractor so as to provide a reasonable relationship (i.e., appropriate

level of skill comparison) between such unlisted classifications and the classifications

listed in the wage determination. Such conformed classes of employees shall be paid the

monetary wages and furnished the fringe benefits as are determined. Such conforming

process shall be initiated by the contractor prior to the performance of contract work by

such unlisted class(es) of employees. The conformed classification, wage rate, and/or  $\,$ 

fringe benefits shall be retroactive to the commencement date of the contract.  $\{See\ Section\$ 

4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate  ${\tt SF}$ 

1444 should be prepared for each wage determination to which a class(es) is to be

conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid, the contractor identifies the need for a conformed occupation(s)

and computes a proposed rate(s).

2) After contract award, the contractor prepares a written report listing in order proposed

classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including  $\frac{1}{2}$ 

information regarding the agreement or disagreement of the authorized representative of the  $\,$ 

employees involved, or where there is no authorized representative, the employees

themselves. This report should be submitted to the contracting officer no later than  $30\,$ 

days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the

action, together with the agency's recommendations and pertinent information including the

position of the contractor and the employees, to the Wage and Hour Division, Employment

Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of

Regulations 29 CFR Part 4).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves

the action via transmittal to the agency contracting officer, or notifies the contracting

officer that additional time will be required to process the request.

- 5) The contracting officer transmits the Wage and Hour decision to the contractor.
- 6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations"

(the Directory) should be used to compare job definitions to insure that duties requested  $\ \ \,$ 

are not performed by a classification already listed in the wage determination.

it is not the job title, but the required tasks that determine whether a class is included

in an established wage determination. Conformances may not be used to artificially split,
